

ESTRELLA CREEK WINES

2006 SYRAH

VARIETAL: 100% Estate Grown Syrah
APPELLATION: Paso Robles, CA (Estrella area)
VINEYARD: 4M Vineyards
HARVEST DATE: October 2, 2006
BRIX AT HARVEST: 25.5
ALCOHOL: 14.4%
ACIDITY: 0.65g/100mL
PH: 3.65
DATE BOTTLED: December 10 2008
CASES BOTTLED: 120

GROWING CONDITIONS: Following a wet spring 2006 featured a normal bud break with much rainfall up until June. A pleasant, warm summer with a heat wave in the middle of July led to harvesting on a typical schedule.

TASTING NOTES: A dark purple Syrah with a touch of spice and blackberry on the nose. Flavors of black pepper, black currant and earthiness balanced delectably on the palate for an extended finish.

WINEMAKING: Hand harvested, destemmed and crushed into stainless steel fermenter. Must was pumped over twice daily for two weeks. After fermentation, wine was aged in American oak barrels for 22 months prior to bottling.
