ALCOHOL: 13.9%
ACIDITY: 0.67g/100mL
PH: 3.42
DATE BOTTLED: March 14, 2014
CASES BOTTLED: 50

CELLARING: OUR Viognier can be enjoyed immediately or over the next several years.

GROWING CONDITIONS: 2013 was a wild ride for growers. Normal budbreak, incredibly cool summer, heat spike in mid-September, followed by five weekends of rain.

TASTING NOTES: An elegant Viognier with subtle citrus and peach on the nose. Balanced acidity with flavors of grapefruit, stone-fruit and pear mingle on the palate ending with a crisp, refreshing finish.

WINEMAKING: Fruit was hand-harvested – whole cluster pressed. Fermented in neutral oak barrels for six months, wine was aged on its lees passively for 5 months which allowed natural settling.
